

LENNOX

Ideal for all types of homes and room spaces,
Lennox mini-split heat pump systems offer

COMFORT ANYWHERE

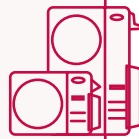

MPB/MLA

MINI-SPLIT
HEAT PUMP SYSTEMS

FLEXIBLE COMFORT

Lennox® MPB/MLA mini-split heat pump systems are ideal for areas where installing or extending ductwork isn't practical—spaces like sunrooms and add-on rooms. Each system uses a compact indoor and outdoor unit connected through a small hole in your wall. One outdoor unit can support up to five indoor comfort zones to create a customized whole-home heating and cooling solution.

COMFORT INNOVATIONS

INVERTER TECHNOLOGY

The digital inverter adjusts motor speed in increments versus typical stops and starts associated with conventional systems. This high-precision operation means the system offers minimal temperature swings and greater energy efficiency.

QUIET PERFORMANCE

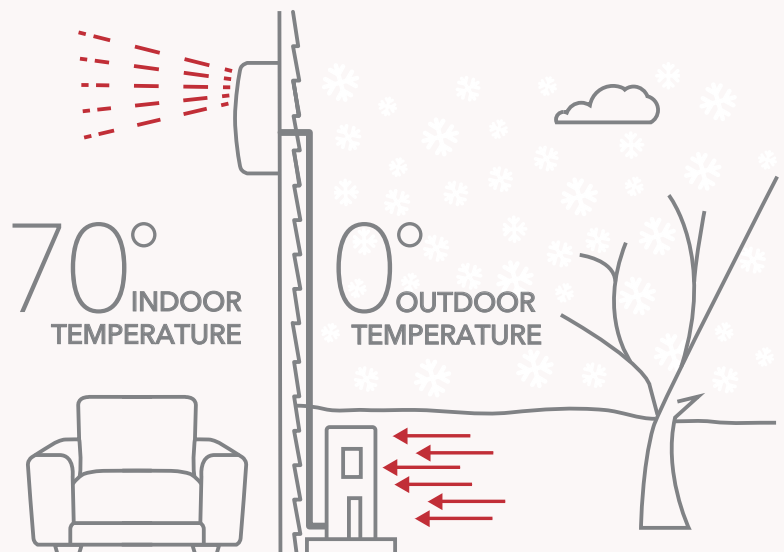

Smooth inverter operation helps create an environment that's as quiet as it is comfortable.

SMART CONTROL

Depending on the system you choose, a wireless remote control or wall-mounted thermostat is available. Both measure the air temperature in the room and automatically signal the system to adjust heating or cooling.

OUTSTANDING COLD-CLIMATE CAPABILITIES

Designed with improved cold-climate capabilities, MLA mini-split heat pump systems are specifically designed to create a comfortable home environment even in the coldest regions. Using advanced inverter technology, MLA heat pumps maintain 100% capacity at 0°F and can operate at temperatures as low as -22°F. So no matter how severe the temperature, Lennox ductless heat pumps continue to deliver optimum heating and cooling performance and maximum energy savings.

Constant capacity and efficiency, even in extreme conditions.

CONSTANT EFFICIENCY

With efficiency ratings of up to 24.50 SEER and 11.50 HSPF*, mini-split heat pump systems can keep you comfortable without generating high utility bills. And because many systems meet ENERGY STAR® requirements, they frequently qualify for money-saving rebates, too.

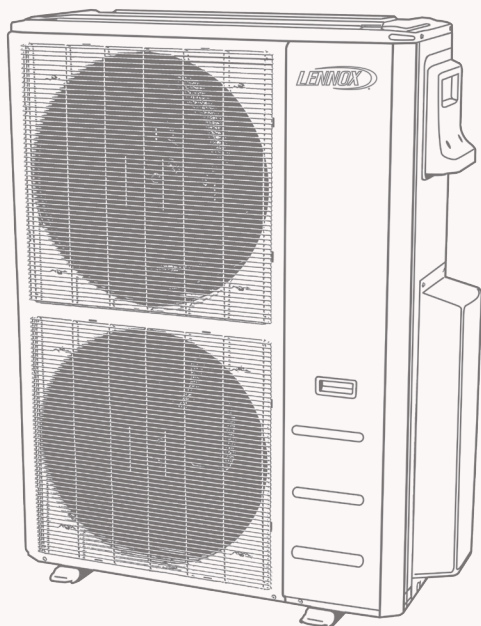

EFFICIENCIES OF UP TO

24.50
SEER & 11.50 HSPF

Lennox mini-split systems have earned the ENERGY STAR®, which means they meet or exceed guidelines set forth by the U.S. Environmental Protection Agency.**

SECURE & CONVENIENT

Lennox MPB/MLA mini-split heat pumps offer an easy, secure installation—especially compared to window units that can leave your home vulnerable to insects, weather elements and theft. Therefore, whether you're utilizing ductwork or not, Lennox provides solutions for any room, any time of year.

12 YEAR
LIMITED
WARRANTY

WITH PRODUCT
REGISTRATION

PEACE-OF-MIND PROTECTION

Mini-split heat pump systems come with a 5-year limited warranty on covered components and 7-year limited warranty on compressor.***

*The cooling efficiency rating for heat pumps is Seasonal Energy Efficiency Ratio, or SEER. The heating rating is Heating Seasonal Performance Factor, or HSPF. The higher the SEER and HSPF, the better the energy performance, and the more you save.

**Applies only to certain models.

***Covered components including the compressor may be eligible to receive a 12-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

Innovation never felt so good.®

ADAPTABLE INNOVATION

Delivering constant and efficient comfort, anywhere you need it

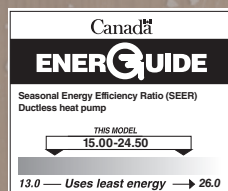

COMFORT YOUR WAY

With a range of indoor and outdoor units and control options, you're sure to find the right mini-split heat pump system for your comfort needs. Ask your Lennox Dealer which product combination will work best for you.

FINANCING YOUR COMFORT

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
